3. Establish a Research Basis for Program Design	73
About This Chapter	75
Research Basis for Program Design	75
<i>Historical and Influential Factors</i>	
<i>Impacting Program Design</i>	76
The Impact of the Federal Government	76
The Impact of Accrediting Bodies	80
<i>Current Climate and the Adoption of a New Vocabulary</i>	82
Evidence-Based Practices	83
Emerging Practices	85
Empirically Guided Practices	86
Best Practices	86
Research Basis	87

Conducting a Comprehensive Literature Review	88
<i>Guiding the Literature Review</i>	88
<i>Sources of Research for the Literature Review</i>	90
Scholarly Literature	90
Best Practice Literature	91
Governmental Publications	91
Conferences	92
Summary	92
CASE ILLUSTRATION	93
References	95
4. Address Cultural Identity Issues in Program Design	97
About This Chapter	99
Culturally Based Concepts: The Building	
Blocks of Our Current Vocabulary	99
<i>Diversity</i>	100
<i>Multiculturalism</i>	101
<i>Cultural Self-Identity</i>	102
<i>Cultural Competence</i>	103
Cultural Competence and Clinical Program Design	104
<i>Brief History</i>	104
<i>Current Climate</i>	106
Professional Associations	106
Scholarship	108
Academic Preparation	109
National Standards	111
Accreditation Standards for Mental Health and Human Service Organizations	113
Funding	113
Cultural Identity Aspects and Client Populations	115
<i>Identifying Cultural Identity Aspects of Client Population</i>	117
Developing Culturally Competent Treatment Interventions	119
Summary	121
CASE ILLUSTRATION	122
DESIGNING CULTURALLY COMPETENT INTERVENTIONS EXERCISE	124

5. Design the Clinical Program	127
About This Chapter	129
Comprehensive Program Design	129
<i>Program Mission and Vision</i>	130
<i>Constructing the Mission Statement</i>	132

NAME THAT ORGANIZATION EXERCISE	135
MISSION ANALYSIS TOOL EXERCISE	136
<i>Constructing the Vision Statement</i>	137
Core Program Design	138
<i>Philosophical Foundations of Program Design</i>	139
<i>Program Interventions</i>	140
<i>Outputs</i>	142
<i>Outcomes</i>	143
<i>Outcome Measures</i>	145
Design Tools	148
<i>Logic Models</i>	148
<i>Project Timelines</i>	150
Summary	155
CASE ILLUSTRATION	156
LOGIC MODEL EXERCISE	158
References	159
6. Develop the Staffing Infrastructure	161
About This Chapter	163
The Organizational Structure	163
<i>Governance Structure</i>	167
<i>Executive Leadership</i>	168
<i>Management Staff</i>	170
<i>Administrative Support Staff</i>	172
<i>Supervisory Staff</i>	172
<i>Clinical Staff</i>	173
<i>Case Management Staff</i>	174
<i>Direct Care Staff</i>	174
<i>Other Program Staff</i>	175
Organizational Processes	175
<i>Communication</i>	176
<i>Supervision and Accountability</i>	178
<i>Culture</i>	180
<i>Staffing Options and Scheduling</i>	182
Designing the Staffing Infrastructure	184
<i>Revisiting the Program Design, Research</i>	
<i>Review, and Market Analysis</i>	185
<i>Organizational Chart</i>	186
Summary	189

7. Identify and Engage Community Resources	197
About This Chapter	199
Community: Defined	200
Community Resources: Defined	201
Community Resources: Brief Review of the Literature	201
Community Resource Development	202
<i>Objectives of Community Resource Development</i>	204
Augment Service Array	204
Advocacy Coalition Development	205
Garner Additional and/or New Funding	206
Sustainability Planning	207
Strengthen Communities From Within	208
Identifying Community Resources: Revisiting the Asset Map,	
Community Demography Assessment, Market	
Analysis, and Logic Model	209
Engaging Community Resources	212
<i>Initial Relationship Building</i>	212
<i>Initial Preservation Efforts</i>	214
Summary	214
CASE ILLUSTRATION	215
COMMUNITY RESOURCE DEVELOPMENT EXERCISE	218
References	218
8. Identify and Evaluate Potential Funding Sources	221
About This Chapter	223
Funding the Program	224
<i>Types of Funding Sources: Public, Philanthropic,</i>	
<i>Fee-for-Service</i>	226
Public/Governmental Sources of Funding	227
Philanthropic Sources of Funding	227
Fee-for-Service Sources of Funding	230
<i>Types of Funding Opportunities</i>	231
Governmental Funding Opportunities	231
Philanthropic Funding Opportunities	235
<i>Potential and Common Funding Sources in</i>	
<i>Clinical Program Development</i>	236
Short-Term Versus Long-Term Funding Sources	237
Diversified Funding	238
Identifying Potential Funding Sources	239
<i>Revisiting the Market Analysis</i>	239
<i>Exploring Funding Sources</i>	240
Electronic Database Subscriptions for Purchase	240

No-Cost Electronic Databases	240
Providers' Lists and Electronic Notifications	241
Evaluating Potential Funding Sources	243
<i>Philosophical Foundations of Funding Source</i>	244
<i>Funding Parameters</i>	245
<i>History of Funding</i>	250
<i>Direct Contact With the Funding Source</i>	250
<i>Other Pertinent Information</i>	251
Funding Opportunity Evaluation Tool	251
Summary	251
CASE ILLUSTRATION	253
RESEARCHING POTENTIAL FUNDING OPPORTUNITIES EXERCISE	255

9. Develop the Financial Management Plan	257
About This Chapter	259
Finances and Program Development	259
<i>History and Current Trends</i>	260
Heightened Scrutiny and Accountability	261
Turnaround Planning	261
Changing Attitudes About Financial Knowledge	262
Financial Planning	263
<i>Financial Management for Nonprofit</i>	
<i>Organizations Versus For-Profit Organizations</i>	263
<i>Integrated Approach to Financial Management</i>	265
Types of Financial Data	266
<i>Projected Expenditures</i>	266
Determining Salary Ranges and Other Expenses	269
<i>Projected Revenue</i>	270
<i>Budgets</i>	271
Project-Specific Budget	272
Annual Operating Budget	274
Multiyear Operating Budgets	278
Financial Management	279
<i>Internal Monitoring and Reporting Processes</i>	279
The Role of the Board in Financial	
Management and Oversight	281
<i>Public Reporting</i>	282
Annual Report	282
Tax Return Documents	282
<i>External Oversight</i>	283

Regularly Scheduled Auditing	283
Tax Return Process	283
<i>Revenue Diversification and Financial Stability</i>	284
<i>Developing the Budget</i>	285
<i>Revisiting the Logic Model and the Staffing Infrastructure</i>	286
Summary	287
CASE ILLUSTRATION	288
PROGRAM BUDGET EXERCISE	289
References	290
10. Develop the Proposal	291
About This Chapter	293
Developing the Proposal	294
<i>Time Considerations in Proposal Development</i>	295
<i>Depth of the Proposal</i>	296
<i>Justifying Professional and Organizational Capability</i>	300
<i>Letters of Support</i>	301
<i>Collaboration</i>	302
Major Aspects of Proposal Development	304
<i>Internal Versus External Grant Writers/Proposal Developers</i>	304
<i>Planning for the Work</i>	307
<i>Skills of Proposal Writing</i>	308
<i>Internal Reviewers</i>	311
<i>Other Considerations in Proposal Development</i>	312
Summary	314
CASE ILLUSTRATION	314
References	317
PART II: PROGRAM IMPLEMENTATION AND SUSTAINABILITY	319
11. Implement the Program	321
About This Chapter	323
Fully Implementing the Program	324
<i>Establishing the Relationship With the Funding Source</i>	324
<i>Review of the Grant/Contract</i>	326
<i>Program Implementation Monitoring</i>	328
Program Management	329
<i>Leadership and Administrative Oversight</i>	330
<i>Information Systems</i>	331
<i>Quality Assurance Planning</i>	335
<i>Contract Compliance</i>	339
Summary	339

CASE ILLUSTRATION	340
References	342
12. Evaluate the Program	343
About This Chapter	345
Evaluation	346
Revisiting the Program Design	347
Types of Evaluation	348
<i>Fidelity Assessment</i>	348
<i>Process Evaluation</i>	353
<i>Outcomes Evaluation</i>	355
<i>Developing the Outcomes Evaluation Plan</i>	358
Outcomes Evaluation Design	358
Selecting Assessment Tools	361
Establishing Evaluation Time Frames	363
Comprehensive Evaluation Planning	364
Considerations in Evaluation	364
<i>Evaluation as a Tool for Organizational Sustainability</i>	365
<i>The Costs and Benefits of Evaluation</i>	365
<i>Creating a Culture of Evaluation</i>	366
Summary	368
CASE ILLUSTRATION	368
COST-BENEFIT ANALYSIS EXERCISE	370
References	371
13. Build and Preserve Community Resources	373
About This Chapter	375
Significance of Community Resources in Program Sustainability	376
<i>Coalitions</i>	377
Preserving Coalitions	383
<i>Partnerships</i>	384
Preserving Partnerships	385
<i>Support Agents</i>	387
Preserving Relationships With Support Agents	388
The Power of Community Support	388
<i>Direct and Indirect Benefits of Relationships</i>	
<i>With Community Resources</i>	389
Direct Benefits	389
Indirect Benefits	391
Summary	392

14. Develop an Advocacy Plan	397
About This Chapter	399
Advocacy in Clinical Program Development	400
<i>History and Significance</i>	400
Levels of Advocacy	402
<i>Individual/Client</i>	403
<i>Community</i>	403
<i>Public</i>	404
<i>Professional</i>	405
Advocacy Strategies	405
<i>Individual Empowerment and Individual</i>	
<i>Advocacy Strategies</i>	406
<i>Community or System-Level Advocacy Strategies</i>	407
<i>Public Arena–Level and Legislative Advocacy Strategies</i>	409
<i>Professional Advocacy Strategies</i>	412
Advocacy and Long-Term Sustainability	412
Advocacy Orientation	413
Developing an Advocacy Plan	414
Summary	415
CASE ILLUSTRATION	416
ADVOCACY PLANNING EXERCISE	417
References	418
15. Develop an Information-Sharing Plan	419
About This Chapter	421
Significance of Information Sharing	422
<i>Direct and Indirect Benefits</i>	423
Types of Data	425
<i>Process Evaluation Data</i>	426
<i>Outcomes Evaluation Data</i>	430
<i>Human Resources Data</i>	431
Sample of Human Resources Data	432
<i>Financial Data</i>	433
<i>Compliance and Quality Improvement Data</i>	434
<i>Other Pertinent Data</i>	436
Data Reporting	436
<i>Responsibilities for Data Reporting</i>	437
<i>Reporting Time Frames</i>	439
<i>Methods for Data Reporting</i>	439
<i>Data Recipients</i>	440
<i>Data Protections and Safeguards</i>	441
<i>Developing the Data Reporting Plan</i>	441
Summary	447

CASE ILLUSTRATION	447
DATA REPORT PLAN EXERCISE	449
REFLECTION AND DISCUSSION QUESTIONS	449
References	449
16. Attain Program and Organizational Accreditation	451
About This Chapter	453
History and Significance of Accreditation	453
Purpose of Accrediting Bodies	454
Accreditation Process	455
Major Accrediting Bodies in Mental Health and Human Services	458
<i>Council on Accreditation</i>	459
<i>Commission on Accreditation of Rehabilitation Facilities</i>	461
<i>The Joint Commission</i>	461
Costs and Benefits of Accreditation	462
<i>Relevance to Clinical Program Development</i>	466
Identifying the Right Fit	467
Accreditation Planning	468
<i>Developing the Accreditation Plan</i>	469
Summary	470
CASE ILLUSTRATION	471
ACCREDITATION PLAN EXERCISE	472
